HEALTHCARE + CHILDCARE = PEDIAKARE

Our Mission and Vision

PEDIAKARE DE LOUISIANA

Pediatric Day Health Center is dedicated to providing specialized daycare services to children who are medically fragile or have special needs by:

- Supporting parents and families through the challenges that are common to parenting a child with special needs.
- Striving to enhance each child's experience through the use of developmental activities that are fun, educational, and therapeutic.
- Promoting each child's growth in reaching their highest potential.

PEDIAKARE DE LOUISIANA is the first licensed pediatric day health center in Acadiana, Louisiana. We are pioneers in advocating, innovating, and advancing the care of children in our community who are medically fragile or have special needs.

For Every Child, PediaKare de Louisiana Offers:

- Individualized Plan of Care.
- Family education and support.
- Technical skills delivered with compassionate care.
- Family Events.
- A developmentally appropriate educational environment.
- On-site pediatric Speech, Physical and Occupational Therapies.
- Peer interaction and socialization.
- Transportation accompanied by qualified staff.

THERAPY SERVICES

- Physical Therapy
- Occupational Therapy
- Speech Therapy
- Early Intervention

NURSING CARE

Our caring staff of pediatric nurses provide care for children with:

- Cerebral Palsy
- Muscular Dystrophy
- Cardiac Defects
- Genetic Disorders
- Seizure Disorders
- Chronic Lung Disease
- Feeding Disorders/Reflux
- Complications of Prematurity
- Failure to Thrive
- Tracheostomies and ventilators
- Colostomy Care
- Apnea (monitor)
- Feeding Tubes

Children will be involved in developmentally-appropriate activities throughout the day.

They will enjoy the wonderful secure playground atmosphere of each center's huge fenced-in backyard, filled with adapted swings, tricycles, climbing toys, balls, and many other seasonal toys.
